Local students selected for 2010 Youth Tour

Two area high school juniors were recently selected to represent Singing River Electric Power Association during an upcoming statewide leadership workshop in Jackson, Miss. and the annual National Rural Electric Cooperative Association Youth Tour of Washington, D.C.

Stephen Benn of Moss Point High School and Jessica Brouckaert of Ocean Springs High School were chosen through an interview process with candidates from 10 local high schools.

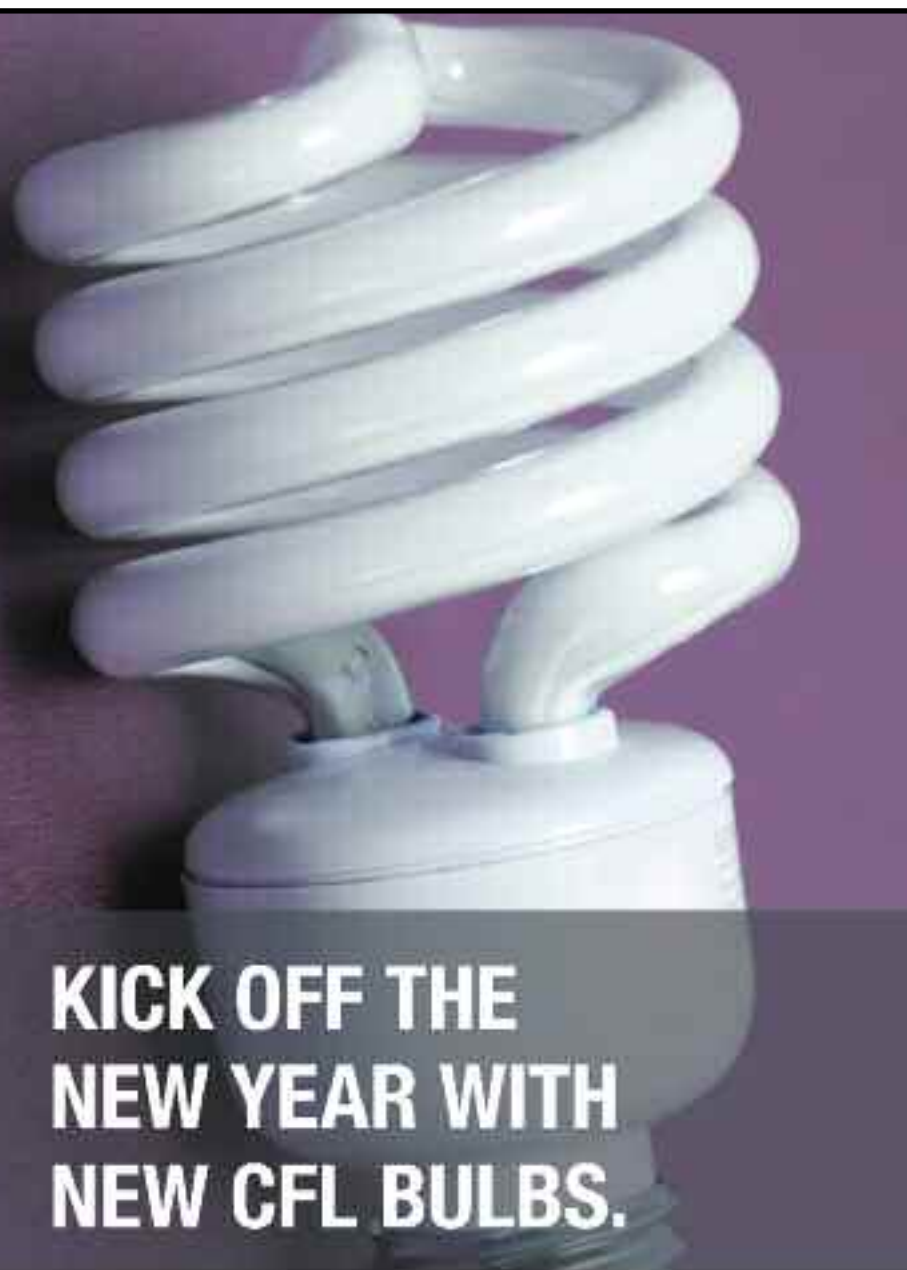

All candidates were required to have a 3.0 grade point average, be involved in extracurricular activities, active in youth leadership organizations and have a parent or legal guardian who is a Singing River Electric member.

KICK OFF THE NEW YEAR WITH NEW CFL BULBS.

Since lighting makes up about 20 percent of a monthly power bill, we switched our incandescent bulbs to CFL bulbs. Now we are using 75 percent less energy to light our home.
