

Singing River Electric Power Association Application for Membership and Service Agreement

By requesting electric service, the Applicant hereby applies for membership and agrees to purchase electric energy from Singing River Electric Power Association (hereinafter called the "Association"), upon the following terms and conditions:

1. The Applicant agrees to pay the Association a membership fee and a connection charge. A refundable deposit may be necessary to guarantee payment of service charges.
2. The Applicant will, when electric energy becomes available and meter is installed, purchase from the Association all electric energy used on the premises and will make payment thereof monthly at rates fixed by the Board of Directors of the Association. The Applicant will pay a minimum amount provided by the applicable rate schedule or contract per month regardless of the number of kilowatt hours consumed.
3. The Applicant will comply with and be bound by the provisions of the charter and bylaws of the Association and such lawful rules and regulations as may, from time to time, be adopted by the Association.
4. The Applicant hereby grants and conveys to the Association all necessary easements and right-of-way on, over and across applicants property and gives and grants to the Association, its agents, servants and employees the right to enter upon Applicant's property to the extent deemed reasonably necessary by the Association.
5. Upon acceptance of this application by the Association this instrument shall constitute the service agreement between the Applicant and the Association and shall continue in force and effect until canceled by either party. The Applicant hereby agrees to assume liability and to make payment for the following:

(a) The account for which electric power service is rendered by the Association, pursuant to this application, at the locations for which this application for service is made or any other account or indebtedness due to the Association from the Applicant.

(b) Any delinquent account or amount owed to the Association by anyone who while this application remains in force and effect shall live for any period of time at the location for which this application for service is made.

(c) Any unauthorized adjustments or damage made to the Association's facilities upon property owned by or occupied by the Applicant.

(d) In the event of any delinquency in the account of applicant, applicant agrees to pay in addition to the amount owed, all reasonable and customary attorneys and/or collector's fees, not to exceed 50% of the amount owed plus all cost of court. Any obligations due the Association will be set off against any capital credits assigned the Applicant.

Statement of Nondiscrimination

Singing River Electric Power Association is the recipient of Federal financial assistance from the U.S. Department of Agriculture (USDA). The USDA prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.)
