

COOPERATIVE YOUTH LEADERS

2023

COOPERATIVE UNIVERSITY • COOPERATIVE LEADERS WORKSHOP
YOUTH TOUR OF WASHINGTON, D.C.

Singing River Electric Cooperative wants to help develop the future leaders of our communities and state. That's why we sponsor two area students in this exciting program designed for high school juniors. Check it out and see what it takes to apply.

DEADLINE TO APPLY IS SEPTEMBER 9, 2022

LEARN. GROW. EXPERIENCE.

PROGRAM GOALS

Goal: The Cooperative Youth Leaders program provides an opportunity for students across Mississippi to learn, grow, and experience.

- Students **LEARN** the value of the cooperative business model, specifically the impact that electric cooperatives have on their lives and communities.
- **GROW** in their leadership qualities through team-building exercises as well as expanding their communication skills, confidence, and courage in decision making.
- **EXPERIENCE** the democratic process at state and federal levels by visiting the Mississippi and U.S. capital cities.

Singing River Electric has joined with other electric cooperatives in participating in the statewide Cooperative Youth Leaders program for **high school juniors**.

THREE-PART PROGRAM

The Cooperative Youth Leaders program has three parts:

- LEARN at Cooperative University on **Friday, September 30 at SRE's Lucedale office**.
- GROW at the Cooperative Leaders Workshop held at the **Westin Hotel in Jackson March 1-3, 2023**.
- EXPERIENCE the all-expense-paid Youth Tour of **Washington, D.C., June 18-23, 2023**.

Your guidance or career center counselor will select your school's nominee to attend Cooperative University. School nominees **must be** able to attend all three event before applying. All expenses are covered by Singing River Electric.

Please be advised that we will follow local, state, and national COVID-19 guidelines, and this could result in a postponement or cancellation of the program: Cooperative University, Youth Leadership Workshop, and/or Youth Tour. Your safety, and the safety of our employees, is of the utmost importance to us.

HOW TO APPLY

The leadership program is open to high school juniors located within Singing River's service area. Each high school will select one student to participate in Singing River Electric's Cooperative University.

Please check with your guidance or career center counselor about how to apply for this program.

- Parents or legal guardians with whom participants reside must be a **Singing River Electric member**.
- Students must have a grade point average of a B or higher in general subjects of study or advanced studies.
- It is beneficial for the students to be engaged in church or community service activities.
- The student must possess the following characteristics:
 - Outstanding citizenship at school and in the community
 - Solid school attendance record
 - Outgoing personality

Finally, the students representing Singing River Electric will be involved in a statewide selection process in which one student will be selected to represent Mississippi on the National Youth Leadership Council. The chosen student will be required to represent Mississippi at various meetings. *More information to follow for the selected student.*

SRE COOPERATIVE UNIVERSITY

Singing River Electric's Cooperative University is a one-day event where each school will be represented by one student. Each student is expected to attend the all-day event in its entirety. The day will consist of speakers, games, lunch, and various demonstrations. This year's Cooperative University will be held on **September 30, 2022**.

This fun-filled day includes the following presentations and activities:

- Students will learn about Singing River Electric, what it means to be a cooperative, and why membership matters.
- An overview of the Cooperative Youth Leaders program will allow students to see what they will experience if they're selected to attend the Cooperative Workshop held in Jackson and the Youth Tour of Washington, D.C.
- Speakers from Cooperative Energy will explain how electricity is generated, types of fuels used to produce electricity, and how it is delivered to your home.
- Mississippi legislators will participate in a panel discussion, explaining how government works, their role in it, and their personal and political career backgrounds.

Interviews: During the day, students will be asked to step away from Cooperative University to be interviewed by a panel of out-of-town judges. **Two to four students will be selected** for the Cooperative Youth Leaders program. Students will receive a letter informing them of the results.

COOPERATIVE LEADERS WORKSHOP

Students will attend the Cooperative Leaders Workshop in Jackson, March 1-3, 2023. At the Workshop, students will:

- enhance their leadership skills
- enjoy breakfast where students can meet and talk with their state senators and representatives
- visit the state Capitol and watch state government in action
- hear presentations from governmental leaders, motivational speakers, and electric cooperative professionals

YOUTH TOUR OF WASHINGTON, D.C.

Mississippi's student delegation joins high school juniors from across the nation at the Youth Tour of Washington, D.C.

During the week-long trip, students:

- visit numerous monuments and memorials,
- tour the Smithsonian Museums,
- witness the changing of the guard at Arlington National Cemetery's Tomb of the Unknowns,
- meet Mississippi's two senators and their respective representative at the U.S. Capitol,
- attend an inspirational youth rally, and
- attend other exciting activities and events.

Singing River Electric's 2022-23 Youth Tour students will fly to Washington, D.C., from Gulfport on Sunday, June 18, and return on Friday, June 23, 2023.

SCHOOL NOMINEE DEADLINE

See your guidance or career center counselor for an application, and return it as soon as possible. **Schools must submit their nominees by September 9, 2022.**

If you have any questions about the Cooperative Youth Leaders program, please contact Singing River Electric at **601-947-4211** or email **chisholm@singingriver.com**.

COST

This program is fully funded by Singing River Electric. There are no hidden costs. Singing River Electric pays for all travel, lodging, meals, educational materials, admission fees, etc.
